The Nerf logo is prominently displayed in the center of the image. It consists of the word "NERF" in a bold, yellow, three-dimensional font. The letters are slightly slanted and have a black outline. They are set against a dark, textured background that resembles a concrete wall with visible cracks. A thick, curved red swoosh or underline starts from behind the 'N' and sweeps down and around the 'F', partially enclosing the word. The overall effect is dynamic and energetic.
